                    A               (E)
"Show me, show me, show me how you do that trick
    Bm                 (D)
The one that makes me scream" she said
     A                  (E)
"The one that makes me laugh" she said
     Bm              (D)
And threw her arms around my neck

 A                (E)
"Show me how you do it
        Bm             (D)
And I promise you, I promise that
           A              (E)
I'll run away with you
          Bm              (D)

```

/ A - - - / (E) - - - / Bm - - - / (D) - - - / x4 (lead guitar)

```
A                 (E)
Spinning on that dizzy edge
  Bm                  (D)
I kissed her face and kissed her head
    A                  (E)
And dreamed of all the different ways
  Bm               (D)
I had to make her glow

 A               (E)
"Why are you so far away?" she said
  Bm               (D)
"Why won't you ever know that I'm in
A                 (E)
love with you
Bm              (D)
That I'm in love with you"
```

Bridge:

```
F#m      (G)
You    Soft and only
F#m      (G)
You    Lost and lonely
F#m       (G)
You   Strange as angels
D (4)
Dancing in the deepest oceans    Twisting in the water
                     A      (E)
You're just like a dream
                     Bm     (D)
You're just like a dream
```

Piano solo:

/ A - - - / (E) - - - / Bm - - - / (D) - - - / x3

```
A                  (E)
Daylight licked me into shape
  Bm              (D)
I must have been asleep for days
    A              (E)
And moving lips to breathe her name
  Bm           (D)
I opened up my eyes

    A             (E)
And found myself alone, alone
 Bm           (D)
Alone above a raging sea
A              (E)
That stole the only girl I loved
    Bm                 (D)
And drowned her deep inside of me

F#m      (G)
You    Soft and only
F#m      (G)
You    Lost and lonely
F#m       (G)
You   Just like heaven
```
